

Fire Extinguisher Usage Training Course Details

Our fire safety training has been developed by a professionally qualified Fire Officer with a wealth of fire fighting and fire safety experience. This is invaluable when advising organisations on compliance issues, preparing staff for discussions with the local fire brigade and to add realism to all our fire safety courses.

Who should attend:

Any person who may be required or have the opportunity to use a fire extinguisher.

Duration:

1x hour per session

Theory location:

At a practical location when weather permits

Practical location:

Conducted outside (area the size of 4x parking spaces)

Syllabus

Theory session:

- Fire Classification
